

<b>Policy:</b>	<b>Emergency Services</b>	<b>Reference:</b>	<b>ESSES0020</b>
		<b>Review Date:</b>	<b>05/2023</b>

- All personnel are 'Emergency First Aid at Work, trained and qualified.
- All company vehicles are equipped with First Aid Kits.
- All method statements and risk assessments give the details required for contacting the Emergency Services in the event of an injury at work.
- The appropriate site manager/person in charge, must also be contacted directly.
- All employees are instructed to complete an accident report as soon as this is practicably possible.
- Management will contact and report to RIDDOR if/when required.
